Chalkboard - Term 3 Week 6 Tuesday 20th August 2013

Sport – Friday

This Friday will be the change over for the students doing Barefoot Bowls.

Next week, Friday 30th August, we are planning a beach walk. If you are able to transport children, please see Mrs Bradley.

Interest Groups

Due to the Infant's excursion, there will be no interest groups this week.

Cookers – don't forget to bring a container to put your food in to take home.

Spelling Bee Stage Finals

This Friday at our assembly, the following students will be participating in their Stage Final for the Spelling Bee. Assembly starts at 2:10pm as we have four finals to complete. Please come along and support our clever bees as they do their best on the day.

Congratulations to:

Great Aussie Bush Camp – Years 4/5/6

Please remember that all payments for the camp need to be finalised no later than **Friday 23rd August (Week 6 Term 3)**. Thank you to ALL parents who have already finalised payments. This week we will have a meeting with students about what to expect at camp and send home a list of equipment and clothing needed for the camp. It is only two and a half weeks away now and is going to be lots of fun!

Years 5 and 6 Science and Engineering Day

Last week you should have received a note about the annual Science and Engineering Day.

The Science and Engineering Discovery Day is a day-long competition designed to provide year 6 (or year 5) primary school students with a positive experience of science and engineering. During the day, 8 schools compete against each other completing 8 different fun and exciting workshop-style activities. Each school team is divided into 6 groups of 3 or 4 students. Students are awarded points for each activity and the school with the most cumulative points at the end of the day is declared the winner. The winning school will be awarded a trophy at the end of the day. The cost of the day is \$9 and includes transport, activities and a BBQ lunch.

All money and notes are due by 28/8/13 (Wednesday, Week 7). It is an excellent opportunity for students from our school to work as a team and it would be fantastic if we could have all students from Year 5 and 6 involved in the day.

CLASS REMINDERS

CLASS KB

Please remember to put names on jumpers. I am collecting a large pile in the classroom.

In a few weeks we are making something using plastic Drink bottles. Each child will need one 1 litre bottle. Could you please send in some clean bottles for us to use, thank you.

We are planning on making some great presents for dads in class.

Our Fathers Day presents will cost \$1 for each child. Could you please send in this money to Mrs Bradley to cover the cost of materials.

Don't forget to get onto the computer and play Mathletics and Reading Eggs.

Library

The Bookweek Parade is only 2 weeks away.

The theme, "Read Across the Universe", opens the door to explore a multitude of "dress up" ideas.

Aliens, astronauts, planets, stars, comets, moons, or perhaps you might like to stay an Earthling, but from another culture or country.

Your imagination is your only limit! Have fun and be ready for Tuesday, September 3, after recess (about 2.10pm). Hope to see lots of Earthling parents/grandparents/preschoolers in the audience!

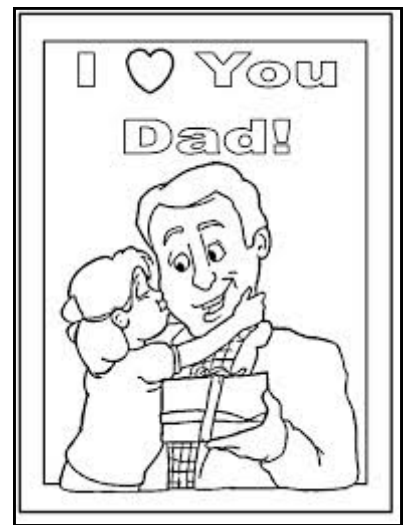

P & C NEWS

FATHERS DAY STALL

We will be holding our Fathers Day Stall next Friday, 30th August.

Once again we are asking for donations for the stall so that all children have the opportunity to buy a gift for their dad or step dad. Donations may be left in the classroom for collection.

Thank you.

AFTER SCHOOL TOUCH FOOTBALL COMPETITION

The After School Touch Football Competition begins this week.

Tuesday Under 11s and Under 13s

Thursday Cubs Under 7s & Under 9s

Please see website for draws.
